or join us

Have you ever seen one of these?

Carved into buildings and walls, Ordnance Survey Bench Marks were created to calculate a height above the mean sea level. Since 1831 500,000 benchmarks have been created.

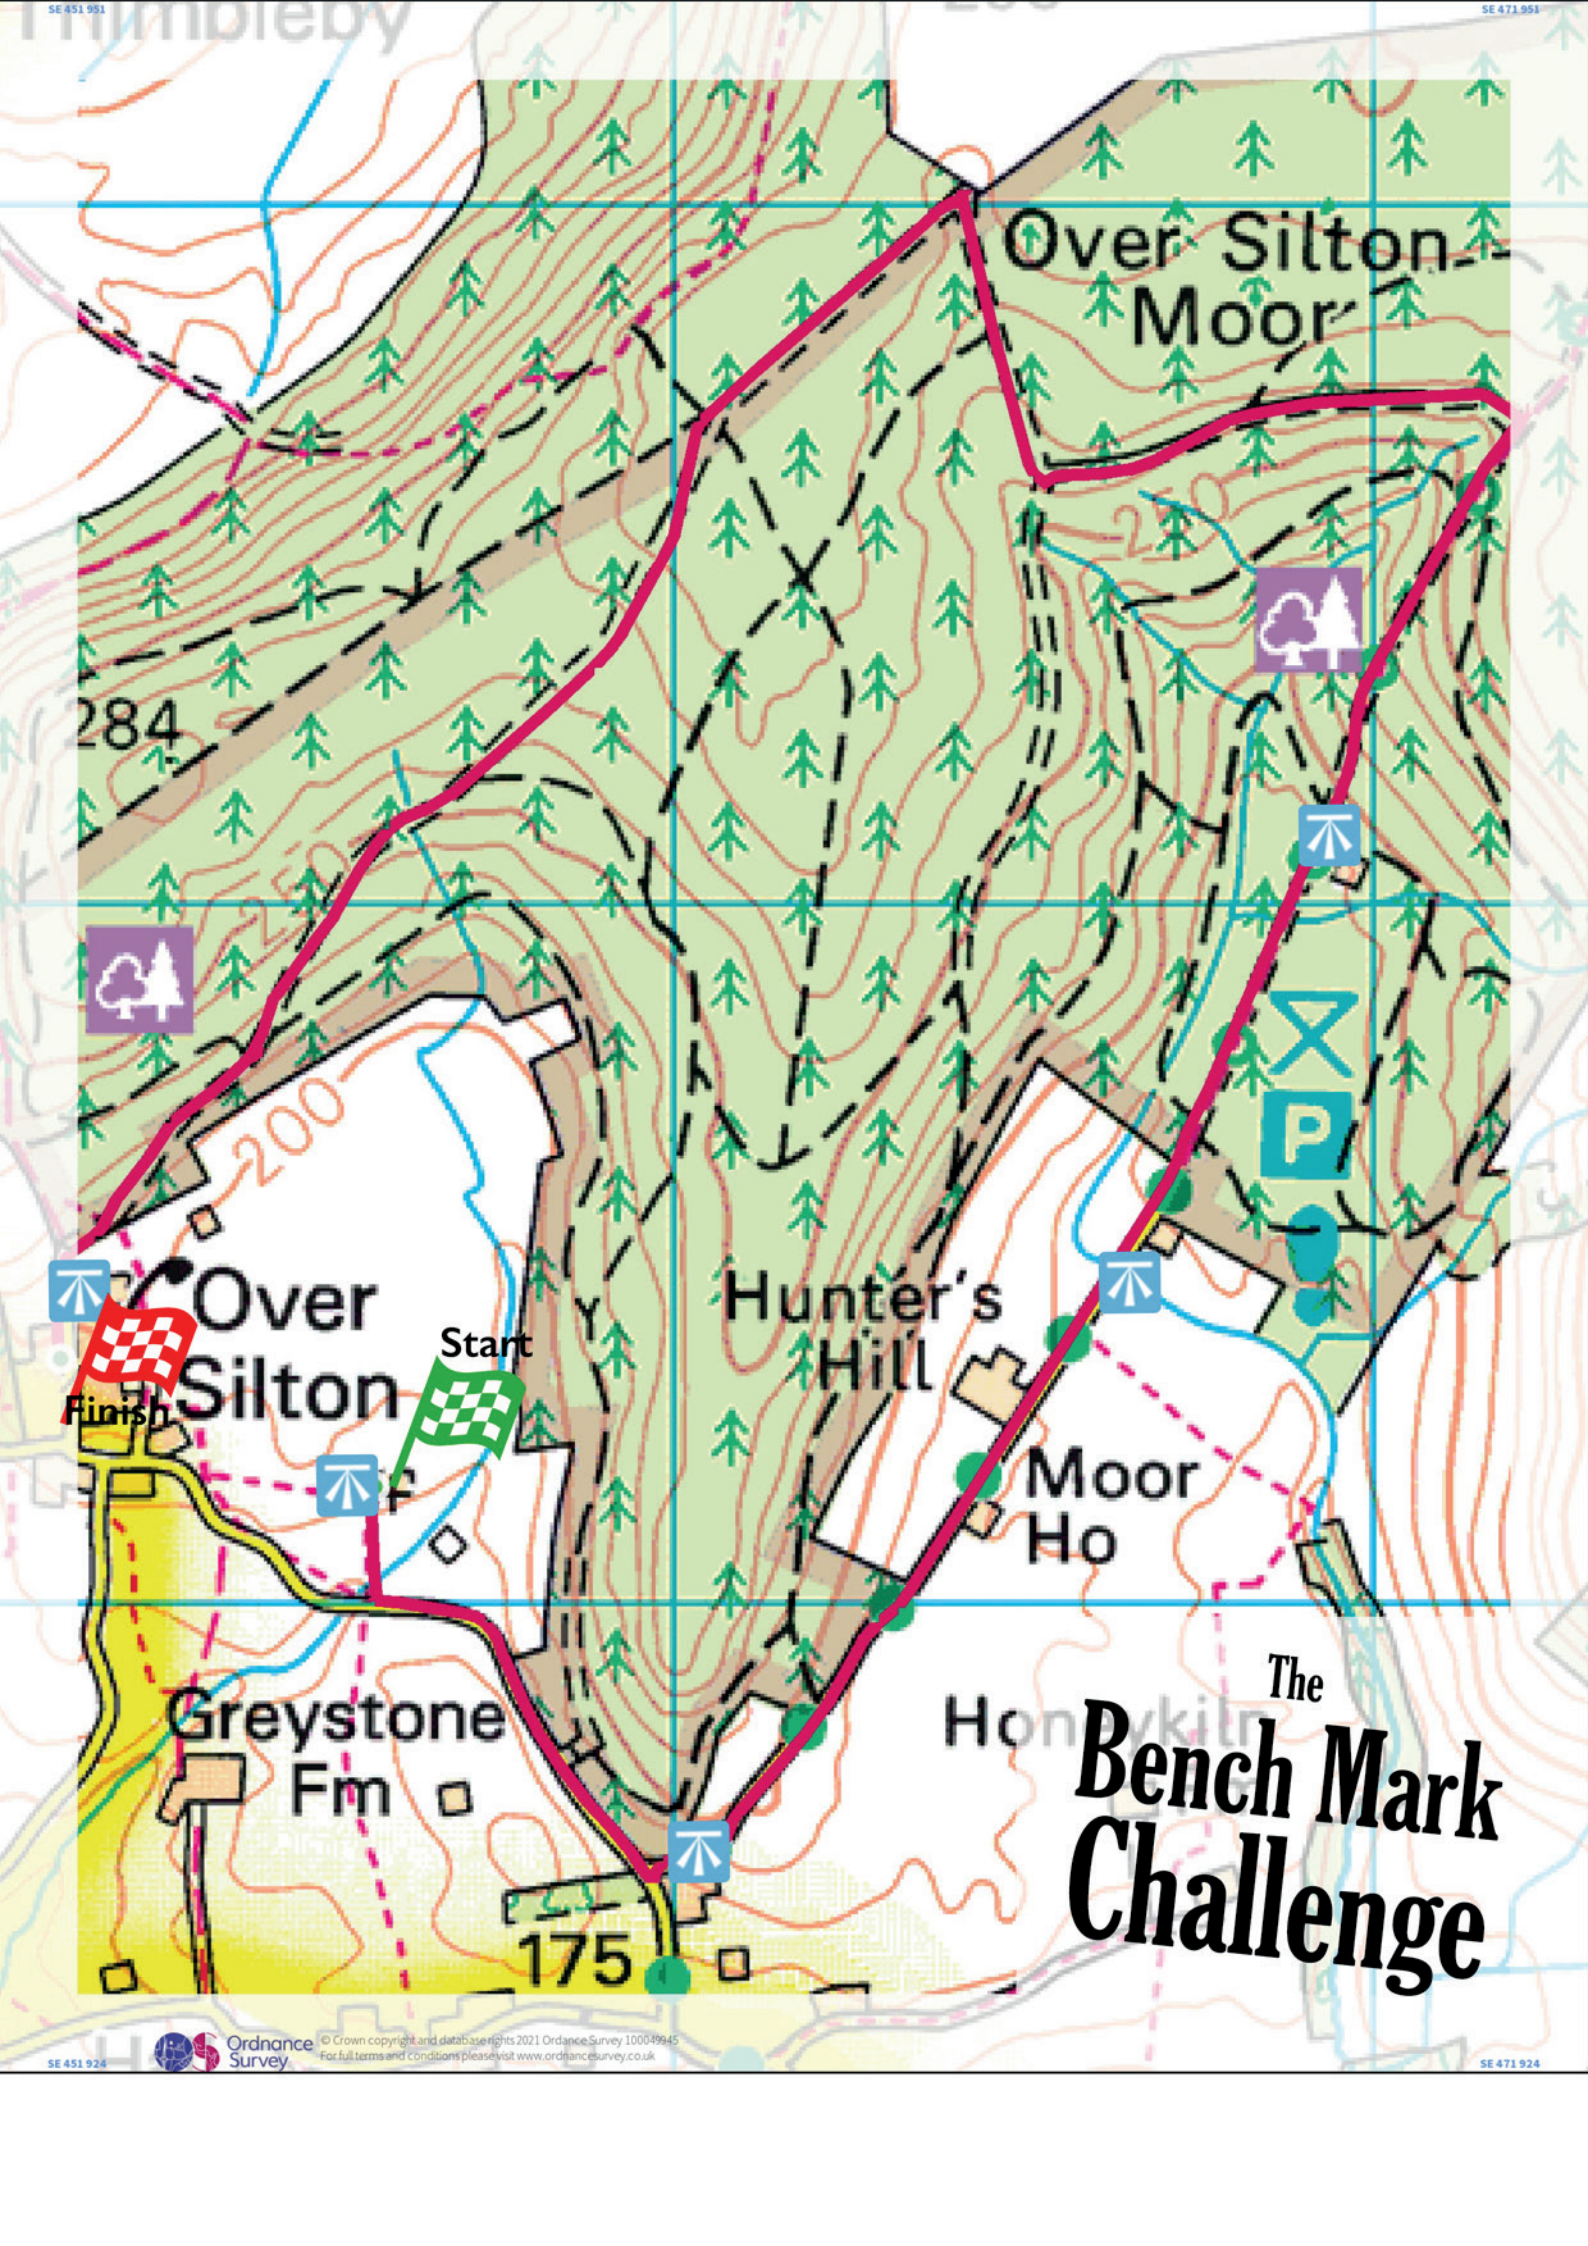

* Children must be accompanied by an adult

Elevation Profile

Route Card

Emergency Contact: Dave Bowe 07738 643 236

Bench Mark 1 - At the bottom of the west wall of the church

From the church head south along the foot path and turn left, heading east along *Kirk Ings Lane*.

Bench Mark 2 - On the buildings at the junction with *Kirk Ings Lane* and *Skirt Bank*.

From *Kirk Ings Lane* turn left up *Skirt bank*, onto *Moor Lane*.

Bench Mark 3 - Past the old Kiln on *Moor Lane*, the Bench Mark is on the bridge over *Sorrow Beck*.

Refreshments - Hunters Hill Car Park

Bench Mark 4 - The Bench Mark can be found at the cycle network sign (it could be on the old building).

From the cycle network sign post, carry on up *Red Way*, taking the second turning left, heading east.

After .75km, when the track splits, bear right.

At the top of the rise bear left following the main track back to *Over Silton*.

Bench Mark 5 - The Final Bench Mark can be found on *North Cottage*.

Refreshments - The Manor, Over Silton

Please take care on the road

Solve the puzzle and win a prize

Can you collect the letter from each **Bench Mark** and solve the anagram?
